

REMARKS/ARGUMENTS

Pursuant to the requirement for restriction dated April 28, 2008, the Applicant elects, without transverse, for further examination of Group 1 consisting of claims 1-13 to be set forth in the application.

In response to the requirement for an election of species dated April 28, 2008, the Applicant hereby elects, without transverse, the species identified as Species B (Figure 4).

In response to the Office Action of April 28, 2008, Applicant requests re-examination and reconsideration of this application for patent pursuant to 35 U.S.C. 132.

SUMMARY

In light of the foregoing remarks and amendment to the claims, it is respectfully submitted that the Examiner will now find the claims of the application in condition for review. Should there be any remaining issues which can be resolved via an Examiner's Amendment; the Examiner is urged to call the undersigned in order to expedite the prosecution of this application.

The Commissioner for Patents is hereby authorized to charge any deficiency in any fees due with the filing of this paper or credit any overpayments in any fees paid on the filing to Deposit Account No. 13-0439.

Respectfully submitted,
